## **The Bay Men: A Clammer's Story** Evert Bay Scott

After spending more of his youth tugging on clam rakes than he did in classrooms, and most of his adult years dealing with the not so honest characters of New York City's toughest fish markets, Evert Bay Scott decided to write of it. He wanted to tell of his life and take his readers out there with him, along the shores of Long Island. Mr. Scott takes you on board telling about the run-ins, characters and con men that he came to know on the darker side of the clamming game; the side he wound up on. So hold on tight, this adventure on the Great South Bay is about to set sail!
