He can protect anything except his heart

Leese Phelps's road hasn't been an easy one, but it's brought him to the perfect job—working for the elite Body Armor security agency. What Catalina knows could get her killed. But who'd believe the sordid truth about her powerful stepfather? Beyond Leese's ripped body and brooding gaze is a man of impeccable honor. He's the last person she expects to trust—and the first who's ever made her feel safe. And he's the only one who can help her expose a deadly secret, if they can just stay alive long enough...
