Jaime Hernandez

**Esperanza: A Love and Rockets Book (Love and Rockets)** Jaime Hernandez

**Maggie deals with the past and Hokey moves into the future in the latest complete *Love and Rockets* book.**

As Jaime and Gilbert Hernandez continue to delight readers new and old with the continuing adventures of their characters in the annual *Love and Rockets: New Stories*, Fantagraphics continues to collect their earlier stories in these fat, handy, and inexpensive collections.

In this batch of “Locas” stories by Jaime Hernandez from the pages of *Love and Rockets Volume II* (picking up where 2010’s *Penny Century* collection left off), an older and wiser Maggie faces down her old demons and the “Ghost of Hoppers” in a full-length graphic novel (which also introduces one of Jaime’s greatest recent characters, Vivian the “Frogmouth,” the near-psychotic bombshell).

Meanwhile, the ever-feisty but maturing Hokey (her Spanish birth name giving this collection its title) transitions from tending bar to teaching kindergarten (while still juggling a complex love life), and the final quarter of the book shows Maggie’s lovable ex Ray Dominguez being dragged into the aftermath of a grisly murder thanks to his falling for the “Frogmouth.” 248 pages of black-and-white comics
