God's Guarantee to Heal You A. A. Allen

"A. A. Allen has from the time of his conversion, taken this attitude toward the Word of God. As a result, his ministry has grown constantly. He believes that faith in God means believing God's commands as well as His promises, and the remarkable manifestations of power which have been seen in his meetings, are in direct proportion to his appropriating the power of God for holy living. He does not claim to have a special gift, not to be a special favorite with God, but he BELIEVES, and God is still true to His promise." Asa A. Allen was a controversial evangelist with a Pentecostal healing and deliverance ministry. He was associated with the "Voice of Healing" movement founded by Gordon Lindsay. Allen became one of the first to develop a national television ministry. His television programs frequently included excerpts from his "healing line" ministry.
