Parenting 101 Experience and Experiment Darius Chantez Hillard

Darius and Stacy planned and had their first child after high school at the age of 18. This was one of the most exciting experiences of their lives. Soon after followed two more children with another on the way. These two excited parents have experienced many obstacles and life lessons in raising their children, and they set out to become role models and great influences for their children. Darius and Stacy believes in raising their children to the best of their abilities, and encourages each other, as well as others to be the most active adults in their child's life. This parenting book was written to teach, encourage, inform,inspire, and engage parents, and soon to be parent in the development and raising of children. This informative book was inspired by the experiences, and experiments that Darius and Stacy face as their journey of parenting continues to grow. Here you will learn many solutions to problems you may be facing, answers to questions you may have as first time parent, tips and strategies to making your life as a parent much more efficient and easier, and so much more. Parenting is not simple but it shouldn't be a hardship either and Darius and Stacy feels like their experiences will give other the support they many need to be the best parents they can be.`
