Studies consistently show that quality leadership development programs pay off for companies -- in the form of shareholder returns, market share growth, and sales. However, many companies have inadequate leadership development programs. This book challenges traditional views of leadership development with a perspective that focuses on recognizing leadership as a source of competitive advantage. If you're a manager or an HR leader, **The Leadership Gap** offers the practical, effective strategies you need to close the leadership gap in your organizations, unleashing leadership potential for better business results and a sustainable competitive advantage.
