## **Thunder at Dawn Threshold of Unknown** james blackthorne

Reader beware! This is a big story so it takes volumes of pages to explain the details. However under the heading of Thunder at Dawn, a lot transpires. The beings who participate in the adventure are the particularly stubborn type, brimming over with the will to live. At times the characters face a struggle to survive within their habitat that appears to be more like a living hell. However, to Leon Davith, his Golem son Bard along with his Enchantress companion who is called Quill, team up with two Warrior Ferries who believe that joining with these eccentrics to seek a high and mighty adventure is pure heaven. But all that changes! Bard chanced to carry the Mighty Sword, as he approached the Gnomish City located on the Threshold of the Unknown he noticed how after unsheathing Thunder At Dawn' it reacted by jolting, hissing along with emitting the battery of sparks. It was said that thunder at Dawn was forged from a brilliant lightning bolt striking Dawn itself. Leon the Grand Wizard said that Thunder at Dawn was forged from was forged from a brilliant lighting bolt striking Dawn itself. Meanwhile Quill loaded airship to make a lengthy journey Moreover Erin in Leda returned to Eleven Sky City to insure the well being of the inhabitants. Bard began studying the course and laying the navigations down, while Leon left on an errand to the Empire across the ocean that was headed by the Seer of Shadows, who'd doubtless was elated by the news of the Dark Lords resignation. For the moment Leon had other concerns he brought several things with him namely a phial of the cure he could replicate a phial of Blue Rose potion Yaga had given him, he could now create it at any time, for Blue Roses were a mercifully common plant in many parts of the world and quite easily procured. In one instance Erin and Leda glanced up to see a renewed Leo entered the room, is this size having been returned to its youthful state thanks to the Blue Rose Potion he'd drank. Leon? Don't I get a sit of the cure-all for Crow's feet?" Quill shouted in mock outrage. Quill raised out of her chair to grab the now youthful Leon Davith in a headlock. 'Just allow me to use that potion you stupid jerk!' She snarled, rubbing the wizards scalp raw with her fist. In another less than humorous incident was God came to stand before Bard. "Give that cursed weapon to me boy", said the god. Thunder at Dawn's true form went alight once more and began sending pillars of energy forth even as a lure slowly rose to his feet single-mindedly racing for his friends Bard on the other hand slowly advanced on thunder at Dawn even as it sent waves upon waves of energy after Bard blown back again and again the Golan stubbornly held on as he rushed to the sword stabbing it with its counter shadow blade his intuition paid off. in The black energies of that weapon left the hilt and immediately began corrupting the towering blade of raw energy. thus, chaos had been stopped before his plans could be once again set back into motion. What was the first "as the demon Lord Constable meanwhile back in God sheathe, the red warrior stood before the remains of thunder at Dawn, grabbing up Shadow Blade's hilt and smiling with the remains of its black energy issued forth sheathing the weapon, sheathing the weapon he left whistling to his Emerald Bird the two flew off leaving the cursed remains of Thunder at Dawn far behind as well as pursuit of the sword. Read realized it was time to make tracks. The two flew off leaving the cursed remains of thunder at Dawn far behind as well as his pursuit of the sword better to leave it at that for no sword designed to destroy the world was worth wielding, that he knew for sure. Finally near the end it was concluded that to great swords could not coexist." We should remain apart while we have the weapons." Bard sighed"
