This is the reference your clients would ask you to purchase.

*Criminal Evidentiary Foundations* tells you with precision how to lay foundations for your most critical evidence to be admitted in a criminal trial. Expert authors Edward J. Imwinkelried and Daniel D. Blinka guide you through converting abstract evidentiary doctrine into concrete lines of questioning, with phrasing of questions on direct and cross-examination explained in detail and hundreds of sample foundational questions adapted to specific criminal cases.

In this convenient single volume with a current supplement, you'll find your questions answered on witness competency, authentication, relevance, credibility, privileges, opinions, hearsay, suppression, the Best Evidence Rule, and more. Whether you are preparing for your first case or you are a seasoned veteran, this treatise will become your most indispensable tool after the Federal Rules of Evidence in your next trial.
