Recognize the Patterns

The LSAT is an exam which is full of patterns. Because of this, using previously-administered LSATs is indisputably the most effective way to prepare for the test. LSAT Reading Comprehension passages are typically written in a dense, academic style, and require adept tracking of viewpoints, global concepts, and small details. Fortunately, the passages are consistently drawn from four broad areas. By practicing with Reading Comprehension passages grouped by type, you can gain greater insight into the patterns which govern this often overlooked section, and learn to successfully navigate the "gray areas" from which the test makers frequently draw in crafting the questions. In this volume, Cambridge LSAT groups the eighty Reading Comprehension passages from PrepTests 41-60 by type. LSAC recently introduced the comparative reading format, in which you are asked a series of questions about two related passages. For your convenience, we have presented these passage sets in their own chapter.

Chapters

- o Introduction
- o Humanities
- o Law
- o Natural Sciences
- o Social Sciences
- o Comparative Reading
