Get ready to smile all the way to the bank. No longer are wit and business mutually exclusive. Roger has tapped into something very important: How to make home finance, which is inherently dull, interesting and fun. Roger talks to us, not at us. He shows us how to choose the right mortgage while serving up the facts and rules with a generous helping of humor. One might even call it business entertainment. You will quickly learn that the mortgage industry is not the 30 year fixed loan. It is just one of the loans available and not the best one in any circumstance. You will understand, finally, what the phrase "30 years is a sentence, not a loan. Prepare yourself to learn and laugh your way through this thoroughly enjoyable book!
