Boxing Interviews of a Lifetime Brad Berkwitt

Many boxers, people involved in boxing such as trainers, and announcers, as well as celebrities, have been interviewed in the pages of this book. Most importantly, they are heard in their own words - meaningful words that need to be taken seriously in order to perpetuate the sport of boxing as the greatest of all competitive sports. In addition to this, "Bad" Brad Berkwitt's constant fight to finally put in place a mandatory retirement fund for all boxers who have poured their blood, sweat and tears inside the ropes of the boxing ring, is well documented within these pages and, it is his hope that one day very soon, this will be accomplished. Finally, when that day comes, Author "Bad" Brad Berkwitt will have been one of those people, instrumental in bringing it to the forefront.
