A rich and varied tapestry, *Montana Legacy* looks at the people, cultures, places, and events that shaped present-day Montana from Plentywood to Butte, Great Falls to Virginia City, and Billings to Browning. Designed to make readers think about Montana history in a new way, this anthology features 16 essays chosen for their relevance, readability, and scholarship.

The volume's editors--all well-known Montana historians--carefully selected topics, from the fur trade to power deregulation, that range across two centuries and expose Montana's cultural and geographical diversity.
