The Origins of the Seder

Baruch M. Bokser

The Origins of the Seder Baruch M. Bokser

The Passover and its rite are central in the history of Judaism and Christianity. Explaining how the Passover evening celebration, the seder, became one of the most popular Jewish rituals, Baruch M. Bokser shows how it was based on and transformed a biblical sacrificial meal. Bokser demonstrates the significance of the motif of Passover in ancient Judaism, indicating why Jews and Christians employed it to express hopes for redemption. And he also illuminates the process of historical development through the interaction of a traditional heritage with contemporary and outside cultural influences. This is a fascinating book which will add much to our understanding of Judaism and Christianity and of the nature of religion in a changing world.
