Trail of Crosses (Lost Colony Series) (Volume 2) Jo Grafford

Jane Mannering can shoot an arrow and handle a knife as well as any Englishman. But she's no match for the red-painted Native American warriors who ambush their Colonial caravan the moment she and her friends reach the shores of Virginia. When Chief Wanchese shows up at the Great Trading Path to view the human spoils of the raid, Jane is shaken to learn their greatest enemy wants her for himself. It's a pity he's the only man on two continents who has ever stirred her heart, because capturing him is definitely not part of her escape plan! Epic historical romance based on the Lost Colonists of Roanoke Island!
