Rodney Syme

## **A Good Death: An Argument for Voluntary Euthanasia** Rodney Syme

*A Good Death* is his candid and provocative account of the experiences of many terminally ill people Dr Rodney Syme has assisted to end their lives. Over the past thirty years Syme has challenged the law on voluntary euthanasia-at first clandestinely and now publicly-risking prosecution in doing so. He again risks prosecution for writing this book. *A Good Death* is a moving journey with those who came to Syme for help, and a meditation on what it means in our culture to confront death. It is also a doctor's personal story about the moral dilemmas and ethical choices he faces working within the grey areas of the law. In this important book, Rodney Syme argues for the end of the unofficial 'conspiracy' of silence within the medical profession and the decriminalisation of voluntary euthanasia in Australia. Through Syme's determination to tell the stories of those who he has assisted to die with dignity, *A Good Death* also draws wider lessons of value for those who find themselves in a similar situation.
