War was inevitable, it was genetically spliced and written into the DNA of the warriors the Coalition now faced. Unfortunately for Seth and his Coalition Special Forces team, the Cherta have decided to enter into the fray also, and now the Coalition is fighting wars on every front. In this thrilling sequel to the breakout hit novel "Extinction: The Warriors Return", Captain Seth Fields and his scientist counterpart Captain Emily Riley must combine their teams and expertise in an attempt to save the Coalition, by traveling throughout the galaxy to unlock the secrets of an ancient race known as the Protectors. Seth's tactical prowess and Emily's scientific insights are all that stand between the Coalition and its destruction by the warriors, or enslavement in the Cherta Empire.
