## **Healing the Orphaned Heart: Restoring the Heart of a Child of God Janet Helms**

In 2006, Janet Helms went to Uganda to perform a one-woman play, or so she thought. When the play failed, God revealed the real reason Janet was there - to understand the Orphaned Heart problem and to learn how to heal it. In her first book, Janet tells her story of how she got to Africa in the first place, her journey to adopt an abandoned child, and the development of her ministry to heal the people she encountered from the effects of rejection and abandonment. Healing the Orphaned Heart is a teaching tool that will help you understand the orphan's dilemma and how it is becoming a worldwide crisis. Janet will also share ten steps to heal from the Orphaned Heart, steps that include principles you can apply in your own life, family, ministry or missions work.
