It's Only a Delusion If It Doesn't Work: Everyone Has a Delusion! What's Yours? Ray Loyd Tune
I saw Christ during a near death experience (NDE) in January 1969 while buried beneath a pile of biomaterial, outguessing poisonous methane gas. I had multiple compound fractures and no air. To this day, I swear it being as real as you, me or anyone else. Yes, I saw the tunnel of light with Christ at the opposite end. The Christ I saw had long brunet hair-the one I knew from Sunday school and books. Now that I have actually studied the Bible, I know He almost certainly had short hair, like his peers, the other men in his culture. Check it out. First Corinthians 11:14 says, Does not the very nature of things teach you that if a man has long hair, it is a disgrace to Him? God Himself thought long hair on a man was an abomination. It's obvious that is a disgrace for a man to have long hair! The most common word to describe long effeminate hair is the very word Paul used in First Corinthians 11:14: "degrading" (atimia), the major reason for objecting to long hair. How do we explain all the pictures of Christ depicted with long hair? Is that delusional thinking at the mass level? Again, did the Holy Word mislead us poor ignorant Christians, or did we fill in the gap for God? I'm laying my money on God - long hair was abhorrent to Him. As such, His son arrived with short hair. Now if Christ was anything like today's youth, he would have rejected long hair - it simply wasn't in style. Is humankind's vision of Jesus just a delusion? Is the phenomenon of UFOs but another case of MASS delusion? It has happened before and within the past one hundred years "Invasion of Mars" Orison Well's Broadcast. Could be, but humankind has been reporting them through word, paintings, or hieroglyphics since 29,000BC. If one buys into that, but not into UFO's, then one must conclude that the entire world, since the beginning of time, has BEEN A DELUSION.
