Mhop Christian Leadership Guide Philip Delane Craig

Prayerfully reading this book will provide readers all with the basic understanding needed in order to seek God's face for the purpose of ministry. We pray that this will also open the doors for leaders to have conversations with about making necessary changes to ensure that the church can continue to do what God has intended it to do from the very beginning. This is simply to live in his will and to teach others to do the same. In order to do this we will examine what Christians believe, take a quick look at the assemblies of God in the Old Testament, and observe some basic expectations for followers of Christ. After doing this we will discuss the changes that are to occur here at Miracle House of Prayer. It may not be meant for every church to run the same way, but we should all understand the foundation of our faith in order to fulfill our purpose as individuals, families, communities, and as the United Kingdom of God. This book is not designed for scholarly theological debate. This book should be used as a tool to aid in teaching current and future church leaders so that they can seek God's face and build healthy sustainable ministries.
