This book is written for those with questions about: • Who God is and the actions of God throughout the universe. • God's plan for earth and our role in God's plan. • How God interacts with humans and how God does not. • Whether God needs to become a man or speak through a man as part of God's plan. • Whether God burns people forever over matters of religion. • Whether violence is part of God's plan and what part violence plays in life • God's love and forgiveness • Whether God is likeable. • Religion doing more harm than good. • How to love other humans and show charity toward other humans. If these are the types of questions that you are asking, this book is for you. My answers come out of my escape from Christianity and organized religion, after 20 years of Christian study, action, and suffering. My hope in this book is that my answers give you the freedom to think and develop your own answers. Answers that may be better than mine. Never stop thinking for yourself! Thanks for reading.
