Of Bears and Man Mike Cramond

Have you ever had to kill a bear? The famed outdoor writer Mike Cramond often asked that question of hunters, naturalists, and bear-attack victims as he crisscrossed North America interviewing people whose lives, like his own, have been changed by bears. Cramond's intent is to temper the views of the average person, who sees bears only in misleading advertisements and TV shows that produce a false sense of security. He wants people to know what he has learned from a lifetime of association with the great North American Bears and from interviews with bear specialists and surviving attack victims. ---from the dust jacket
