In this book we explore pre-Flood history along with ancient Hebrew history and biblical history that proves our Creator truly has granted us inalienable rights which must be guarded. We learn how the founding fathers of the United States based all of their decisions on the gospel of Jesus Christ and biblical principles. We take a close look at the Declaration of Independence, the Constitution, the Bill of Rights, the other amendments. We examine the Supreme Court cases that shaped the way these are interpreted today. Finally, we will see what can be done to restore our land to truly be “one nation under God!” Brought to you by Bible Facts Ministries, biblefacts.org
