Teaching the gospel can be immensely rewarding . . . but itâ€™s not always easy, and sometimes the best way to communicate that tricky principle or point of doctrine is to use a â€œteaching tool.â€• From teaching the importance of prophets by sharing the story of the Falcon, to the Driverâ€™s License visual aid that teaches about priesthood authority, *The Missionaryâ€™s Little Book of Teaching Tools* is an invaluable resource that will make your teaching more clear, and reinforce important gospel principles. These ideas are so helpful and handy, you will want to use them long after you have returned from your mission-for family home evenings, firesides, ward activities, and more.
