“A captivating visual story with a colorful narrative. Once I started reading, it was hard to put down.” Peter Anderson, Oscar Winner, Cinematographer Jake Harris' life hasn't turned out the way he planned. Battling his addictions, and the shattered pieces of his family, he is hired to ghostwrite a memoir. From the 1920's story of a controversial evangelist, to the present day mystery of a former District Attorney, everything changes when his search for the truth leads to an atrocity hidden from history. With a past he can't remember, he begins to discover that he is not the person he believed himself to be. Rather, he is a threat to a secret society that has remained in the shadows for nearly a century. Jake is drawn deep inside a world he never knew existed that brings him closer to his own extraordinary destiny.
