Based on a survey of more than 4,000 current students at twenty of the country's top colleges

Academic reputation is the number-one reason students apply to Ivy League schools, but are they prepared for the host of other factors that will affect their success on campus? *Inside the Top Colleges* breaks through the "halo" of prestige surrounding the nation's elite schools to reveal what the quality of education and daily life is really like on these campuses. Every institution has its strengths and weaknesses; this book examines those factors that can result in a highly positive college experience or a potentially negative one. Students speak out on
