More Than Hope: For Young Children On The Autism Spectrum Tanya Paparella, Laurence Lavelle
More Than Hope, For Young Children On The Autism Spectrum describes powerful intervention strategies to change areas of early child development most impacted by autism. With the specialized knowledge of Dr. Tanya Paparella, a leading expert with over 20 years of autism intervention and director of the UCLA childhood autism program, the book takes each significant area of development and explains why children with autism learn differently. It then provides step-by-step intervention strategies to develop communication, social interaction, and normal behavior. The teaching strategies are known to work, they are practical, and can be used in everyday activities. This book offers parents, care givers, and professionals the opportunity to do more than just hope for a child's successful future; it directly empowers them by providing critical knowledge and intervention tools towards long-lasting benefits for each child and their family. More Than Hope, For Young Children On The Autism Spectrum is easy to read, yet powerful in its simplicity and depth.
