## **The Student Formula: How to Win in Inner-City Classrooms** Victor McGlothin

The Student Formula is a winning game plan for students to excel in inner-city classrooms. Designed to narrow the achievement gap, this educational tool addresses deficits between suburban and inner-city schools. This book offers strategies for every student to improve their study habits, reading skills, and test scores. It also provides an avenue for parents, who always wanted to help their children perform better in school but didn't know how. Now, there's a way and it really works.
