When we find ourselves wanting more money or material wealth, what is it that our souls are really seeking? According to Michael Bernard Beckwith, what we long for is "true abundance"-the overflowing treasure of divine energy that is all around us at all times. On True Abundance, this visionary teacher brings listeners practical and accessible techniques for breaking free of our limited view of prosperity and connecting to the bounty that is always available to us. This two-CD programme includes: · Practicing the Law of Circulation: insights on how our concept of "ownership" undermines genuine wealth o Meditations for dismantling the internal barriers between you and your true divine inheritance o Skilful means for hearing the voice of Spirit that guides you toward prosperity, and more. What is the actual key to wealth: hard work, ingenuity, or perhaps just luck? Michael Bernard Beckwith reveals that it's none of the above-instead, it is the deep acceptance that we are worthy of success. With True Abundance, he provides listeners with a practical approach for rising above our limitations and embracing the plentiful life that the universe offers us in every moment.
