“ *Start writing. Don’t ask what or why...just start*” My sister Jeannie, deceased 7 years earlier, wrapped her angel arms around me that September day on the Camino Santiago de Compostela and guided me to my purpose. What is it that magically draws us to step outside our normal realm of existence? That unexplainable energy that sings a calling to our soul? A knowing which came in the late summer of 2011, my pilgrimage was the culmination of several years in which I began learning to listen to the energies of the Universe. Listen to the knowledge my soul cradles deep within. Listen to the love and guidance of my guardian angels. Believe that all I need to know, all I need to understand, is available to me if I simply remain open to the forces of the Universe ...and listen. In September 2014 I followed my soul knowledge and embarked on the Camino Santiago de Compostela, an ancient pilgrimage path some 500 miles crossing the French Pyrenees and west across the north of Spain. *A Camino of the Soul - Learning to Listen When the Universe Whispers* shares my Camino story and, more importantly, a lesson of growth and transformation.
