**Adventures of Chas: L. Youngblood During Ten Years on the Plains (Classic Reprint)** Charles L. Youngblood

In presenting this little volume to the public I have no apology to offer nor any explanation to make to the inception of the work, except that it was written at the request of many of my friends who, knowing of my life in the West, were anxious to have my adventures written and published according to the fashion of the day. Concerning the work itself I have only this to say: It is not fanciful description of imaginary adventures, but a true recital of a few of my hunts on the plains and such other occurrences as might be considered worthy mention. These are not altogether in the order of their occurrence but as I call them to mind, and in most instances dates are omitted on account of incompleteness in my data.

(Typographical errors above are due to OCR software and don't occur in the book.)
