Charlie's Bargain Evangeline Anderson

Charlie is just trying to survive. After losing her fortune she flees her home planet and hides from her bloodthirsty creditors on a mining colony so horrible its residents just call it Hole. Lynx is a Xorn, one of a feared race of non-humans known for their savage lusts. From the first instant he sees Charlie, he knows she is the only woman who can satisfy him. Charlie wants nothing to do with the huge, muscular man with golden eyes, but in order to survive on Hole she will have to overcome her fear and make a bargain with the fierce Xorn—a bargain of desire, pleasure and pain that will force her to see herself and Lynx in a whole new light.
