Save time, differentiate the curriculum for gifted learners, and relate content and skills to the established national standards. *Curriculum Starter Cards* is a collection of cards that presents differentiated learning experiences that relate to the basic content and skills of the four core academic areas (science, mathematics, language arts, and social studies). The determination of what constitutes a differentiated curriculum is based both on national theory and research.

With these cards, you can build units of instruction that emphasize depth and complexity, and include exciting independent study, creative student products, higher level thinking skills, and much more in your curriculum.

This program offers the perfect combination of easy-to-use curriculum cards, fun creative ideas for the classroom, and accountability based on national standards. Perfect for use by individual classroom teachers developing lessons or schoolwide curriculum development teams, this is a Prufrock bestseller.
