East of Big Sur: Colorblind Black & White Photography Joseph Fleming

Decades of being around accomplished artists producing absolutely phenomenal quality work has taught that we are capable of greatness. It is possible to meet our destiny and become it. Experiencing excellence done with such apparent magical ease and humble selfless gratification is the inspiration for this book of original photography. Being colorblind gives an advantage when composing black & white... less confusion. The photos in this collection were selected from thousands of captures. All images were framed in the camera and presented without edits, genuine as seen through the lens. RAW conversion applied by proprietary panchromatic process. Fine art prints available from original files. info@ BEACHNOISE.com
