For generations, people all over the world have been touched by the godly insights of Oswald Chambers. Now Everything Counts presents his work in a new and fresh form especially designed to speak to today's generation. Writer Steve Case has distilled and expanded the truth, wisdom, and spiritual insight so that a new generation will be moved by these soul-stirring revelations. The new format builds upon the verses for each day. It excerpts the essence of Chambers' memorable reflections and summarizes them in the section called "Just Between God and You." Then it encourages students to process these spiritual truths and apply them in their lives.
