Friends: How Do You Cope When Your Friend Has Bipolar Disorder Julia Busquets

The book is all about helping those who are friends with someone living with bipolar disorder. Friendships are quite difficult to maintain when you have bipolar disorder, so it is very special when you find people willing to go through the highs and the lows with you. My friends have given their views on how they deal with me and what they do when the chaos and intensity become too much for them. The one thing they all say is, even when it becomes too much, they would never walk away.
