Introduction to Structured Water with Clayton Nolte: Overview of the Health Benefits, Cost Savings and Environmental Advantages of Structured Water Charles Betterton

Enjoy the Benefits and Advantages of Naturally Balanced "Structured Water":

Healthy, Balanced, Energized Water for your shower, kitchen, garden, whole house, greenhouse, commercial and portable units. No chemicals, salts, electricity or filters. 90-day 100% Money-Back Satisfaction Guarantee. Free 20 year warranty on all Natural Action Structured Water Devices and Systems.

The book presents an introduction to the science and the many advantages and benefits of "structured water". Contents include writings, articles by and about inventor Clayton Nolte, research, definitions, details on various structured water devices, comparisons with other water enhancement technologies, questions and answers, and some of the hundreds of testimonials from around the world. The book also describes the main Natural Action Structured Water devices invented and manufactured by Nolte. They include units for: the shower, under sink, garden and landscape, a portable model, commercial applications and whole house units.

The book introduces an affiliate program pays 10%-50% referral commissions on the sales of structured water units. The book also includes the bonus of a PDF on *Fostering Personal and Planetary Sustainability* from the publisher **Ultimate Destinyland** that also markets all the Natural Action Structured Water Units on Amazon.

Supplemental information is provided on a new line of Dynamically Enhanced Units that have a flow-form inside that is the same structure and size as the standard units, but is made from a combination of proprietary materials that dynamically enhance the energy of the unit and create a static energy that exists even before the water flowing through the unit is structured.

These energetic properties of the flow form materials in the Dynamically Enhanced Units: Help restore our bodies, and the environment; Eliminate and absorb things that are harmful to man and nature; Have the ability to clean water from almost all inorganic compounds, including pesticides, bacteria, nitrates, free radicals, heavy metals and other harmful organisms; Neutralize the negative impact of electromagnetic fields; Help increase immunity to illness and disease; Rejuvenate the skin; and Enhance and increase the energy of the structured water.?

100% of profits from the sale of this book are donated to the non-profit Ultimate Water for Humanity, Inc. The purpose of the organization is to help provide greater access to clean water for the one billion global citizens who don't presently have access to clean water.
