Wayfarer (Passenger) Alexandra Bracken

I've been orphaned by my time.

The timeline has changed.

My future is gone.

Etta Spencer didn't know she was a traveler until the day she emerged both miles and years from her home. Now, robbed of the powerful object that was her only hope of saving her mother, Etta finds herself stranded once more, cut off from Nicholas-the eighteenth century privateer she loves-and her natural time.

When Etta inadvertently stumbles into the heart of the Thorns, the renegade travelers who stole the astrolabe from her, she vows to finish what she started and destroy the astrolabe once and for all. Instead, she's blindsided by a bombshell revelation from their leader, Henry Hemlock: he is her father. Suddenly questioning everything she's been fighting for, Etta must choose a path, one that could transform her future.

Still devastated by Etta's disappearance, Nicholas has enlisted the unlikely help of Sophia Ironwood and a cheeky mercenary-for-hire to track both her and the missing astrolabe down. But as the tremors of change to the timeline grow stronger and the stakes for recovering the astrolabe mount, they discover an ancient power far more frightening than the rival travelers currently locked in a battle for control. . . a power that threatens to eradicate the timeline altogether.

From colonial Nassau to New York City, San Francisco to Roman Carthage, imperial Russia to the Vatican catacombs, *New York Times* #1 best-selling author Alexandra Bracken charts a gorgeously detailed, thrilling course through time in this stunning conclusion to the Passenger series.

From reader reviews:

Gabriel Cleveland:

Information is provisions for folks to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even a concern. What people must be consider if those information which is within the former life are challenging to be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you get the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Wayfarer (Passenger) as the daily resource information.

Harold Baughman:

Reading a guide tends to be new life style on this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or their experience. Not only the storyline that share in the books. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some research before they write to the book. One of them is this Wayfarer (Passenger).

Chad Smith:

Reading can called thoughts hangout, why? Because when you find yourself reading a book specifically book entitled Wayfarer (Passenger) your thoughts will drift away trough every dimension, wandering in every single aspect that maybe unfamiliar for but surely can become your mind friends. Imaging each and every word written in a e-book then become one contact form conclusion and explanation this maybe you never get prior to. The Wayfarer (Passenger) giving you an additional experience more than blown away the mind but also giving you useful data for your better life with this era. So now let us teach you the relaxing pattern at this point is your body and mind will probably be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Judy Williams:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Wayfarer (Passenger) can make you truly feel more interested to read.
