Amazing Agent Luna Omnibus 4-5 Nunzio DeFilippis, Christina Weir

Amazing Agent Luna is the story of Luna, the perfect secret agent. Grown in a lab from the finest genetic material, fifteen-year-old Luna has been trained since birth to be the U.S. government's ultimate espionage weapon. Now she has been given an assignment that will test her abilities to the utmost?high school.

Posing as an ordinary student at an elite high school, Luna must keep her head down and her grades up while trying to uncover an evil plot. Luna's training has left her completely unprepared to handle the stresses and strains of ordinary teenage relationships?making friends, battling rivals, and having her first big crush on bad boy Jonah, the son of her arch-nemesis, Count Von Brucken! Making matters worse, Luna's fake father is the overly warm-and-fuzzy Dr. Andy and her so-called mother is the always businesslike, unemotional "Control." Parental pressure combined with having to stay up late while spying are taking a toll on Luna, and it's only a matter of time before she slips and blows her cover!
