#### Another Splash of the Gin and Tonic Gardener Janice Wells

In her best-selling book, *The Gin and Tonic Gardener*, Janice Wells encouraged gardeners and nongardeners alike with her frank and funny journal about gardening successes and failures. *Another Splash of Gin and Tonic* chronicles this knowledgeable but irreverent gardener's next two years as she endeavors to create a low budget gin-and-tonic garden. Readers tag along with her as she scours yard sales for perennials; they learn about her strange aversion to grass, her ongoing battles with rocky soil, and her unattractive chain link fence. Clearly a compulsive gardener, Wells balances humor and an affinity for the hammock and a good book with her quest for the old-fashioned cottage garden of her dreams. Full of wit, wisdom, and tips, this spirited book inspires and entertains in equal measure.
