Bitcoins are all the rage right now, and if you know your tech, you should already be mining, following market fluctuations, or flashing a trendy (if virtual) bitcoin wallet. However, as is the case with most things digital, the dynamic world of bitcoins is moving pretty fast - so fast, in fact, that it can be overwhelming for a regular Joe (or Jane) to catch up. In this book, I'm going to help you understand what bitcoins are and what they aren't. You will learn exactly how the bitcoin system began, how (and why) you can use it to buy things or pay for services just like money, and how getting on board with bitcoins can benefit you financially. Read this book to learn why people invest in bitcoins and how you can develop your own income stream by dealing with bitcoins. If you are ready to get dry behind the ears to learn what all this bitcoin fuss is about, let's get started!
