London Architecture

Marianne Butler

London Architecture Marianne Butler
From the remains of the Roman amphitheater to the soaring glass structures of the 21st-century city, London offers a unique architectural experience. This new and authoritative guide takes the reader through nearly 2,000 years of architectural achievement in the capital. Each chapter contains accessible examples of buildings of every period and sets them in historical context. *London Architecture* also includes six mapped walks as well as a listing of shops, bars, and restaurants, making this an essential resource for the London traveler.
