Meal Service Study Course Carlene M. Russell, Monica Shope Lursen

This new edition will be commissioned by the Iowa Dietetic Association for a book which has been in the ISUP list for some years. The book is a classroom book for courses in meal service in long term care facilities and elsewhere. The new version would contain additional material to make it broader in scope and more salable. Between the new material and a more attractive presentation, it is hoped that the sales will be significantly better than edition 2.
