I love going to church, but I sometimes find myself fidgeting and wishing for something to do with my hands during the message. So I draw and doodle. Drawing is a great way to process sermons and stories AND it helps me listen better. I was surprised to find this connection of art to the spoken word was not just a "busy hands" exercise for me, but also something that inspires others. What a joy it has been to share a different way to listen to a teacher's words! This doodle book is designed to help you learn God's word in a fun way and it is my hope that you become quick to listen to what the Lord has to say to you!
