The fairy tales of Jacob and Wilhelm Grimm are a little grimmer than the average fairy tale — Red Riding Hood lost in the woods with the big bad wolf; Hansel and Gretel lured into the trap of the evil witch; poor Rapunzel confined to solitude. With their vivid imagery and symbolism, these stories beg for illustrations, and *Really Grimm's Doodle Diaries* helps novice artists doodle their own. With prompts like “Draw something horrid here,” and “Find out who will survive the terror of the deep dark woods,” this is one doodle book that is sure to leave your spine tingling. Complete with easy-to-follow instructions and plenty of space for experimentation, the chances for failure are grim.
