Never stop running. No matter how often life trips you up, or how many times your enemies knock you down, just get up and keep on moving until you find where you belong.

Kelly Phillips has been out of the closet since he was a young teenager, and thanks to the gay youth group he frequents, he has never been short on friends or lovers. But when you have almost everything, it's hard not to focus on what's just out of reach: A best friend, who would be Mr. Right if he wasn't already Mr. Straight. Or that handsome guy at school, who would be easier to wrangle if not for his angel wings. And then there's the one who might be a perfect fit, maybe even a soulmate... if only he wasn't convinced he didn't need anyone at all. Kelly has always been good at running. Now he must learn to chase, which will not only test his endurance, but the durability of his heart as well.
