*The Book of Mules* is the must-have book for anyone who owns or rides a mule or other equine hybrid, or is otherwise a proud, perhaps even mulish devotee of such creatures in a largely horse-centered world. It is, in short, the ultimate resource on everything anyone would ever want to know about mules.

The offspring of a male donkey and female horse, mules are known for their grace, strength, agility, and lovely long ears. With both charm and intelligence, these sure-footed creatures have a long-time association with the American West and a dedicated following that comes as no surprise to those who know them. *The Book of Mules* addresses their origin and history and breeding, and provides invaluable information on owning, riding, and showing them. It lists events, discusses health care, and provides breeding information as well as a useful glossary, resource list, and bibliography.
