**The Savage War: The Untold Battles of Afghanistan** Murray Brewster

**On the tenth anniversary of Canada's involvement, a leading journalist offers a fascinating assessment of Canada's past and present role in the Afghan war**

Of the 33,000 troops under NATO command in Afghanistan in October 2006, 12,000 were Americans and 2,500 were Canadians. Deployed to southern Afghanistan, the Canadian forces were charged with ending the violent insurgency in Kandahar Province. *The Savage War* offers a compelling look at how the war has been conducted by Canada and its allies on the ground and at the highest echelons. With unprecedented access to classified documents and the exceptional storytelling skills that have made him an award-winning reporter, Murray Brewster offers a powerful new perspective on the war.

Told in the first person by a journalist who's spent more time in the trenches than any of his peers, *The Savage War* provides a candid look at the war's principal figures captured in off-camera moments and the daily, gritty reality of ordinary soldiers and Afghans. And as Canada prepares to take on a new mission in Afghanistan, this is the first comprehensive account of the five most significant years of the war and the key moments in it that shaped history.

- Murray Brewster provides tough-minded analysis and a critique of bureaucracy as well as revelations about corruption—sure to incite commentary and stir controversy
- Includes eyewitness accounts, exclusive interviews, and access to classified documents
- An unflinching, unvarnished analysis of Canada's role in the war, told in first-person by a journalist who has sat in trenches with soldiers, and also in the living room of 24 Sussex Drive with the prime minister

Taking readers beyond punditry and political spin, *The Savage War* is the first comprehensive account of the key moments in the Afghan war that have shaped history. Many have asked what went wrong. *The Savage War* tackles this question head on.
