A desperate Tensor, leader of the Aachim people, flees with it into the wilderness, taking the brilliant young chronicler Lilan with him. Only Karan can save him, though she's not sure that she can help herself. Tensor wants her dead, the other powers are hunting her for her sensitive talents, and Rulke the Charon broods over them all from his Nightland prison. The Twisted Mirror holds knowledge that the world can only dream about. How will Tensor use it in the final confrontation? Will Llian be seduced by it too?
