*Freedom on My Mind* is Bedford/St. Martin's African American history survey textbook that follows the tradition of Calloway's *First Peoples* and DuBois and Dumenil's *Through Women's Eyes* in combining historical narrative and primary sources in one book. Each chapter includes a document project based on a theme or event that challenges students to analyze the sources and consider them within the context of the history they just read. Authored by a team of respected historians and teachers, *Freedom on My Mind* presents African American history from the early slave trade in Africa through the present day and tells the African American story within the larger context of United States history.
