This missal is a brand-new way of looking at the Traditional Latin Mass!

- \* Instead of switching back and forth between the Latin and English sides of a traditional Missal, this one has subtitles for each and every Latin word. In this way, you can hear what the priest is saying AND understand it too!
- \* If you do get lost, a special chart in the front helps you look for clues in order to find your place.
- \* Each page has notes to aid in comprehension.
- \* Full color illustrations on every page appeal to young children--even if they are not readers, they can follow along using the pictures that show what the priest is doing at each point.
- \* Accessible and affordable: it contains the entire common of the Mass--add each week's propers (which can be downloaded and printed from several different websites) and this Missal is all you need!

NOTE: This book has now been updated and greatly expanded as *Treasure and Tradition: The Ultimate Guide to the Latin Mass*. Visit [www.staugustineacademypress.com](http://www.staugustineacademypress.com) to learn more.
